FROM: [redacted] 25X1

SUBJECT: SECOM Briefing

1. Attached are copies of the visual aids used in presenting briefings on the Security Committee. These have been in use for almost two years, and should be reviewed and revised to reflect current programs and activities.

2. Please review the entire package, with emphasis on your respective SECOM subelements. I would appreciate your advice on how we can update these vugraphs to best present SECOM to the rest of the Intelligence Community and to brief new members of SECOM and the subcommittees. Your notations directly on the copies or separate notes will be welcome. I would appreciate an early response from you on this, but no later than 25 April 1985. Please call me if you wish to discuss proposals for updating. [redacted] 25X1
